*Is Online Learning
for you?*

BSOP
GOES ONLINE

*"I foresee a time when there will be totally virtual colleges and universities and students will not only take classes at their own institution, but expand their scope by enrolling in courses at the great institutions of learning around the world."
~Tom Snyder, Huffington Post*

To register, type:

IS ONLINE LEARNING FOR YOU?

- Are you self-motivated?
- Are you able to take initiative for learning?
- Are you comfortable with technology and the use of the Internet?
- Do you have time management skills?
